

**UNITED STATES BANKRUPTCY COURT**  
**Eastern District of California**  
**Honorable W. Richard Lee**  
**Hearing Date: Tuesday, December 17, 2013**  
**Place: Department B - Courtroom #12**  
**Fresno, California**

**INSTRUCTIONS FOR PRE-HEARING DISPOSITIONS**

1. The following rulings are tentative. The tentative ruling will not become the final ruling until the matter is called at the scheduled hearing. **Pre-disposed matters will generally be called, and the rulings placed on the record at the end of the calendar.** Any party who desires to be heard with regard to a pre-disposed matter may appear at the hearing. If the party wishes to contest the tentative ruling, he/she shall notify the opposing party/counsel of his/her intention to appear. **If no disposition is set forth below, the hearing will take place as scheduled.**
2. Submission of Orders:  
  
Unless the tentative ruling expressly states that the court will prepare a civil minute order, then the tentative ruling will only appear in the minutes. If any party desires an order, then the appropriate form of order, which conforms to the tentative ruling, must be submitted to the court. When the debtor(s) discharge has been entered, proposed orders for relief from stay must reflect that the motion is denied as to the debtor(s) and granted only as to the trustee. Entry of discharge normally is indicated on the calendar.
3. Matters Resolved Without Opposition:  
  
If the tentative ruling states that no opposition was filed, and the moving party is aware of any reason, such as a settlement, why a response may not have been filed, the moving party must advise Vicky McKinney, the Calendar Clerk, at (559) 499-5825 by 4:00 p.m. the day before the scheduled hearing.
4. Matters Resolved by Stipulation:  
  
If the parties resolve a matter by stipulation after the tentative ruling has been posted, but **before the formal order is entered on the docket**, the **moving party** may appear at the hearing and advise the court of the settlement or withdraw the motion. Alternatively, the parties may submit a stipulation and order to modify the tentative ruling together with the proposed order resolving the matter.
5. Resubmittal of Denied Matters:  
  
If the moving party decides to re-file a matter that is denied without prejudice for any reason set forth below, the moving party must file and serve a new set of pleadings with a new docket control number. It may not simply re-notice the original motion.

**ALL PRACTITIONERS AND PARTIES IN BAKERSFIELD BANKRUPTCY PROCEEDINGS**

**PLEASE NOTE**

The Bakersfield calendar for Tuesday, December 17, 2013, will be held in Fresno at the Robert E. Coyle U.S. Courthouse, 2500 Tulare Street, Department B, Courtroom 12, Fifth Floor, Fresno, California.

MOTION FOR RELIEF FROM  
AUTOMATIC STAY  
11-15-13 [[6](#)]

This motion for relief from stay was fully noticed in compliance with the Local Rules and there was no opposition. The motion will be granted without oral argument for cause shown. The automatic stay is terminated as it applies to the movant's right to enforce its remedies against the subject property under applicable nonbankruptcy law. The proposed order shall specifically describe the property or action to which the order relates. If the motion involves a foreclosure of real property in California, then the order shall also provide that the bankruptcy proceeding has been finalized for purposes of Cal. Civil Code § 2923.5. If the notice and motion requested a waiver of Rule 4001(a)(3), that relief will be granted. *Unless the court expressly orders otherwise, the proposed order shall not include any other relief.* If the prayer for relief includes a request for adequate protection, and/or a request for an award of attorney fees, those requests will be denied without prejudice. Adequate protection is unnecessary in light of the relief granted herein. A motion for attorney fees pursuant to 11 U.S.C. § 506(b), or applicable nonbankruptcy law, must be separately noticed and separately briefed with appropriate legal authority and supporting documentation. No appearance is necessary.

MOTION FOR RELIEF FROM  
AUTOMATIC STAY  
11-20-13 [[16](#)]

Based on the response from debtors' counsel, this matter will be set for a final hearing on January 10, 2014, at 10:30 a.m., in Bakersfield. Debtors' opposition to the requested relief, if any, shall be filed with supporting evidence, not later than January 3, 2014. The court will prepare a minute order. No appearance is necessary.

MOTION FOR RELIEF FROM  
AUTOMATIC STAY  
12-2-13 [[19](#)]

This motion for relief from the automatic stay will be denied as moot because the automatic stay is not applicable to the movant's eviction proceeding. The movant held a judgment for possession for the residential rental property that is the subject of this motion as of the date the debtor filed her petition. The record shows that the debtor acknowledged the judgment in the Certification by a Debtor Who Resides as a Tenant of Residential Property. Although the debtor certified she had included with the petition the deposit with the court of any rent that would become due during the 30-day period after the filing of the petition, the docket does not show that any funds have been received. In addition, the debtor did not serve the landlord with the certification, as required by 11 U.S.C. §362(1). This case was filed more than 30 days ago, therefore, pursuant to 11 U.S.C. §362(b)(22), the automatic stay does not apply to the moving party's eviction proceeding. The moving party may submit a proposed order consistent with this ruling. No appearance is necessary.

MOTION FOR RELIEF FROM  
AUTOMATIC STAY  
10-30-13 [[18](#)]

This motion for relief from the automatic stay will be denied as moot. The debtor(s) is (are) an individual(s). The record does not show that the personal property collateral for this secured claim was redeemed or surrendered within the applicable time set by § 521(a)(2). Similarly, the record does not reflect that the loan was reaffirmed or that the movant denied a request to reaffirm the loan on the original contract terms. Therefore, pursuant to 11 U.S.C. § 362(h), the collateral is no longer property of the estate and the automatic stay has already terminated by operation of law. Movant may submit an order denying the motion, and confirming that the automatic stay has already terminated on the grounds set forth above. No attorney fees will be awarded in relation to this motion. No appearance is necessary.

However, the court will authorize the debtor(s) to enter into a modification agreement on terms to be negotiated between the debtor(s) and the mortgagee so long as modification of the mortgage does not interfere with the debtor(s) duties and trustee's administration of the chapter 13 plan.
